

## Notice of a Special Loss in a Consolidated Subsidiary

FUJIFILM Corporation ("Fujifilm"), a wholly owned subsidiary of FUJIFILM Holdings Corporation, has decided to record a special loss in its financial statements for the fiscal year ending March 2021 (from April 1, 2020 to March 31, 2021) as follows.

## 1. A Special Loss

Owing to such factors as deterioration in the business environment centering on antibacterial agents amid the COVID-19 pandemic, the business plan of FUJIFILM Toyama Chemical Co., Ltd. ("FUJIFILM Toyama Chemical") was reviewed to reassess its business value. As a result, the value of the shares of FUJIFILM Toyama Chemical held by Fujifilm is expected to decline significantly. Therefore, Fujifilm is to record a special loss of approximately JPY 81.5 billion as a loss on devaluation of stocks of subsidiaries and affiliates in the non-consolidated financial statements for the fiscal year ending March 2021.

## 2. Impact on Consolidated Financial Statements

The loss on devaluation of the stocks recorded in the non-consolidated statement will be eliminated at consolidation level and will not affect the consolidated financial statement.
