Notice of Impact of Inappropriate Accounting regarding our Consolidated Subsidiaries

As per the announcement of "Notice of Date for Receiving Report from Independent Investigation Committee and Date for Announcement of Financial Results for Fiscal Year Ended March 31, 2017" on June 9, 2017, FUJIFILM Holdings Corporation (the "Company") received a report from the Independent Investigation Committee stating the investigation results on June 10, 2017.

According to that report, it has been revealed in the investigation by the Independent Investigation Committee that, in addition to Fuji Xerox New Zealand Limited ("FXNZ"), an overseas sales subsidiary of Fuji Xerox Co., Ltd. which is a consolidated subsidiary of FUJIFILM Holdings, Fuji Xerox Australia Pty. Limited, an Australian sales subsidiary of Fuji Xerox, also conducted inappropriate accounting similar to that conducted by FXNZ.

As a result, the accumulated impact of the inappropriate accounting regarding our consolidated subsidiaries on the "net income" on a consolidated basis of the Company for the past few years has become a loss of 37.5 billion yen from a loss of approximately 22 billion yen, which was announced in the "Notice of Creation of Independent Investigation Committee and Postponement of Announcement of Financial Results for Fiscal Year Ended March 31, 2017" on April 20, 2017. Further, the accumulated impact on the "net income attributable to FUJIFILM Holdings" is a loss of 28.1 billion yen.

Further, the Company will give a detailed report on this matter in the announcement of "Notice of Receipt of the Independent Investigation Committee's Investigation Report and Future Measures" to be disclosed timely at 3:00 pm today.

The Company expresses its deepest regrets to its shareholders, investors and other related parties for any inconvenience and concerns caused.
